TO WHOM SO EVER IT MAY CONCERN

This is certifying that we have been using Acrytan MA 30, Acrytan 2001, and Acrytan RC 33 of M/S.PIDILITE INDUSTRIES LTD for our leather process application of various types of leather articles for one year.

The Performance of Acrytan MA 30, Acrytan 2001, and Acrytan RC 33 are found to be excellent and consistent. Those products give value addition to our leathers.

We have great trust on Pidilite leather chemical range of products.

Thanking you
